Dear Charlie,

The fireworks show, which you produced for The Windermere Club's New Year's celebration, was absolutely amazing. The variety of stunning fireworks held the audience's attention throughout the generously long show. Everyone expressed their sincere appreciation for the wonderful addition to our celebration.

From the Club's perspective, the price was very reasonable, and your handling of the event was spot on, from planning to clean up. It is difficult to adequately express our appreciation.

Sincerely,

John T. Bakhaus
